First Grade "My Body Belongs to Me"

Second Grade "My Body Belongs to Me"

Third Grade "Believe Me"

Fourth Grade "Believe Me"

Fifth Grade "How Not to Be a Victim"

Sixth Grade "How Not to Be a Victim"

Dear PSR Parents,

As most of you know, all adults of our diocese who interact with minor children in our parishes and schools are required to attend a Protecting God's Children Training. The second phase of this process was implemented throughout schools and PSR programs in our diocese, by offering training sessions for our students in grades K-8.

The trainings are based on professional video publications selected by the diocese focusing on personal safety at all grade levels. The information is suitable for viewing by students of a faith-based organization and each grade level has an age appropriate approach and video presentation facilitated by the catechist. These trainings are designed to help our students understand what abuse is and how to keep themselves safe. The trainings take approximately 35 to 40 minutes.

The Safe Environment personal safety videos will be presented at each grade level as part of the regular class time on various Wednesdays in late February and early March.

Parents must give permission for their children to participate in this training by completing the form below and returning it by February 10. If you choose not to have your child participate in the training, we will have an alternate classroom space and lesson available during the training.

If you have any questions, please don't hesitate to talk with your child's teacher or call or stop by the school office on a Wednesday evening.

The PSR staff
