

HOT LUNCH PROGRAM

St. Boniface School participates in the Federal Hot Lunch program and offers a complete, well-balanced meal each day. Menus are developed in compliance with Federal guidelines for nutrition and published in the school newsletter, on the St. Boniface website, and in the Edwardsville Intelligencer.

Students are allowed to select hot lunch by the day. According to Federal guidelines, milk **MUST be served** with all school lunches.

A regular hot lunch will be served to a student who forgets to bring his/her sack lunch. Lunches are to be brought to school by **9:30 a.m.** or contact the office that you will be bringing a sack lunch. If parent does not bring a lunch for the child, the cost of the hot lunch (\$2.50) will be charged to the student.

Note: Students may not bring SODA or FAST FOOD lunches to school. In addition, students are not allowed to leave the school campus for lunch.

The hot lunch procedures are currently being reviewed and may be upgraded. We anticipate that the procedure will be as follows. Each student will have a "hot lunch card". Parents will load their child's card with an amount of money (determined by the parent). The student's card will be swiped when they receive their lunch, extra milk, etc to deduct the appropriate cost from it. The balance on a child's card will be viewable on FAST DIRECT.

- Payments may be made by electronic withdrawal system and loaded onto the child's card; or payment may be made by check/cash to St. Boniface School and loaded onto the card.
- Payment should be made on MONDAY morning or the first day of school for that week. If you are due a credit or are in arrears, you will be notified by the office quarterly.
- If a manual method of payment is selected, lunch money and milk money should be placed in the lunch envelopes (provided upon request.) Please complete the envelope appropriately. One envelope should be used per family per payment.
- Contact the parish office to set up the electronic withdrawal system.
