Campaign Case

Today, we stand at an important moment in the life of our parish. We are the grateful beneficiaries of this legacy, and we are also its stewards. As our parish continues to grow and serve, it is necessary to address current needs and responsibly plan for the future so that Saint Boniface may remain strong, welcoming, and mission-driven for generations to come.

The Capital Campaign is a prayerfully discerned effort to respond to these needs. This campaign is focused on maintaining and improving our parish facilities, strengthening spaces for worship, education, ministry, and ensuring the long-term sustainability of Saint Boniface Parish. These efforts are not about expansion for its own sake, but about faithful stewardship—caring for what has been entrusted to us and preparing our parish to continue its mission effectively.

Specifically, this campaign seeks to:

- Preserve and maintain parish buildings and infrastructure
- Enhance spaces that support our liturgical, educational, and pastoral ministries
- Address current and future needs in a fiscally responsible manner
- Provide a strong foundation for parish life well into the future

At its heart, the Capital Campaign is not about buildings alone—it is about mission. It is about ensuring that Saint Boniface Parish remains a place where the Word of God is proclaimed, the sacraments are celebrated with reverence, children and adults are formed in faith, families are supported, and the love of Christ is shared with all.

We honor the sacrifices of those who came before us by responding generously today. Through prayer, unity, and sacrificial giving, we can continue the work they began and confidently pass on a strong, vibrant parish to future generations.

With trust in God's providence and gratitude for the faithfulness of our parish family, we invite every household to prayerfully consider supporting the Capital Campaign, so that together we may continue to build up the Body of Christ at Saint Boniface Parish.
